A group of ladies would like to drive their cars to the Lion's Shelter one morning a week. There was Board consensus that this would set precedence and the request was denied. There was also a request to drive a car down the trail to the first boardwalk . There was Board consensus that this would set precedence and the request was denied. Anderson also stated she received a request for a skate park in town, R Harlander stated that was looked into in the past but it is quite expensive.

The walkthrough of the parks continued to West Coon Lake Park. And then concluded at the Community Pride Shelter. During the walkthrough, projects were discussed for each park. These projects were prioritized and some were added to the 2021 budget. They included: painting the ladies' bathroom, roofing the lower shelter, and possibly replacing the dugouts at the ballfield.
