The purpose of this section is to establish guidelines for ethical standards of conduct for all such village officers and employees by setting forth those acts or actions that are incompatible with the public interest and which compromise, or appear to compromise, public trust in the fairness, independence and integrity of Village officers and employees and their official actions.

(2) STATUTORY STANDARDS OF CONDUCT. The provision of the following sections of the Statutes are made a part of this section and shall apply to all public officers and public employees whenever applicable, to wit:

(b) *Conflicts of Interest; Disclosure of Interest.* Except as provided herein, no public officer or public employee shall engage in any business transaction with the Village or have a financial or other personal interest, direct or indirect, which is incompatible with the proper discharge of his official duties or will tend to impair his independence of judgement or action in the performance of his official duties. Any public officer or employee who has a substantial financial interest, including employment, in any business entity entering into, proposing to enter into or bidding on any transaction with the Village, or as part of his official duties will be making an official decision or recommendation significantly affecting a business competitor, client or regular customer, shall disclose such interest to the Village board, or committee, board or commission thereof, as appropriate, to be recorded in the minutes of that body. However, it is not a conflict of interest for any public officer or employee to receive a gift or gratuity that is an unsolicited item of nominal intrinsic value such as a meal up to \$25 in value.

(f) *Outside Employment.* No full time officer of the Village shall engage in any other remunerative employment within or without the Village provided that the Village Board may approve such outside employment or activity if it finds that it does not interfere or conflict with such ability of the officer or employee to perform his duties in an efficient and unbiased manner.

(a) "Authority" means any Village entity having custody of a Village record including an office, elected official, agency, board, commission, committee, council, department or public body corporate and politic created by constitution, law, ordinance, rule or order; or a formally constituted subunit of the foregoing.

(b) "Custodian" means that officer, department head, division head or employee of the Village designated under sub. (3) below or otherwise responsible by law to keep and preserve any Village records or file, deposit or keep such records in his office, or is lawfully in possession or entitled to possession of such public records and who is required by this section to respond to requests for access to such records.

(c) "Record" means any material on which written, drawn, printed, spoken, visual or electromagnetic information is recorded or preserved, regardless of physical form or characteristic, which has been created or is being kept by an authority. "Record" includes, but is not limited to, handwritten, typed or printed pages, maps, charts, photographs, films, recordings, tapes (including computer tapes), and computer printouts. "Record" does not include drafts, notes, preliminary computations and like materials prepared for the originator's personal use or prepared by the originator in the name of a person for whom the originator is working; materials which are purely the personal property of the custodian and have no relation to his office; materials to which access is limited by copyright patent or bequest; and published materials in the possession of an authority other than a public library which are available for sale, or which are available for inspection at a public library.

(2) DUTY TO MAINTAIN RECORDS. (a) Except as provided under sub. (8) below, each officer and employee of the Village shall safely keep and preserve all records received from his predecessor or other persons and required by law to be filed, deposited or kept in his office or which are in the lawful possession or control of the officer or employee or his deputies, or to the possession or control of which he may be lawfully entitled as such officer or employee.

(b) Upon the expiration of an officer's term of office or an employee's term of employment, or whenever the office or position of employment becomes vacant, each such officer or employee shall deliver to his successor all records then in his custody and the successor shall receipt therefore to the officer or employee, who shall file said receipt with the Clerk. If a vacancy occurs before a successor is selected or qualifies, such records shall be delivered to and receipted by the Clerk, on behalf of the successor, to be delivered to such successor upon the latter's receipt.

(3) LEGAL CUSTODIANS. (a) Each elected official is the legal custodian of his records and the records of his office, but the official may designate an employee of his staff to act as the legal custodian.

(b) Unless otherwise prohibited by law, the Clerk shall act as legal custodian for the Village Board and for any committees, commissions, boards or other authorities created by ordinance or resolution of the Village Board. This shall not include the Fire Department whose custodian shall be the Fire Chief.

(c) For every authority not specified in pars. (a) or (b) above, the authority's chief administrative officer is the legal custodian for the authority, but the officer may designate an employee of his staff to act as the legal custodian.

(d) Each legal custodian shall name a person to act as legal custodian in his absence or the absence of his designee. This paragraph shall not apply to the Village Board.

(e) The legal custodian shall have full legal power to render decisions and to carry out the duties of an authority under Ch. 19, Subch. II, Wis. Stats., and this section. The designation of a legal custodian does not affect the powers and duties of an authority under this subsection.

(4) PROCEDURAL INFORMATION. Pursuant to §19.34, Wis. Stats., and the guidelines therein listed, each authority shall adopt, prominently display and make available for inspection and copying at its offices, for the guidance of the public, a notice containing a description of its organization and the established times and places at which the legal custodian from whom and the methods whereby, the public may obtain information and access to records in its custody, make request for records, or obtain copies of records, and the costs thereof. Each authority shall also prominently display at its offices, for the guidance of the public, a copy of this section. This section does not apply to member of the Village Board.

(5) PUBLIC ACCESS TO RECORDS; FEES. (a) Except as provided in sub. (7) below, any person has a right to inspect a record and to make or receive a copy of any record as provided in §19.35(1), Wis. Stats.

(b) Records shall be available for inspection and copying during all regular office hours.

(c) If regular office hours are not maintained at the location where records are kept, the records shall be available for inspection and copying upon at least 48 hours' advance notice of intent to inspect or copy.

(d) A requester shall be permitted to use facilities comparable to those available to Village employees to inspect, copy or abstract a record. This subsection does not authorize or require the purchase or lease of equipment nor does it require the provision of a separate room for inspection, copying or abstracting of records.

(e) The authority may require supervision during inspection or may impose other reasonable restrictions on the manner of access to an original record if the record is irreplaceable or easily damaged.

(f) A requester shall be charged a fee to defray the cost of locating and copying records as follows:

1. A cost per page of photocopying, as determined by the Clerk, shall be charged. Said cost shall not exceed the actual, necessary and direct costs to the authority of reproduction, and such charges shall be prominently displayed and made available for inspection by the authority at his office.

2. If the form of a written record does not permit copying, the actual and necessary cost of photographing and photographic processing shall be charged.

3. The actual full cost of providing a copy of other records not in printed form on paper such as films, computer printouts and audio or video tapes shall be charged.

4. If mailing or shipping is necessary, the actual cost thereof shall also be charged.

5. There shall be no charge for locating a record unless the actual cost therefore exceeds \$50, in which case the actual cost shall be determined by the authority and billed to the requester.

6. The authority shall estimate the cost of all applicable fees and may require a cash deposit adequate to assure payment if such estimate exceeds \$5.

7. The authority may provide copies of a record without charge or at a reduced charge where he determines that waiver or reduction of the fee is in the public interest.

8. Elected and appointed officials of the Village shall not be required to pay for public records they may reasonably require for the proper performance of their official duties.

(6) ACCESS PROCEDURES. (a) A request to inspect or copy a record shall be made to the authority. A request shall be deemed sufficient if it reasonably describes the requested record or the information requested. However, a request for a record without a reasonable limitation as to subject matter or length of time represented by the record does not constitute a sufficient request. A request may be made orally, but a request must be in writing before and action to enforce the request is commenced under §19.37, Wis. Stats. Except as provided below, no request may be refused because the person making the request is unwilling to be identified or to state the purpose of the request. No request may be refused because the request is received by mail unless prepayment of a fee is required under sub. (5)(f)6. above. A requester may be required to show acceptable identification whenever the requested record is kept at a private residence or whenever security reasons or Federal law or regulations so require.

(b) Each custodian, upon request for any record, shall, as soon as practicable and without delay, either fill the request in whole or in part and the reasons therefore. When the legal custodian has doubts as to whether the requested records are exempt from disclosure, in whole or in part, he shall have 3 working days to confer with the Village Attorney prior to making a determination. If the legal custodian, after conferring with the Village Attorney, determines that a written request is so general as to be unduly time consuming, the party making the request may first be required to itemize his request in a manner which would permit reasonable compliance.

(c) A request for a record may be denied as provided in sub. (7) below. If a request is made orally, the request may be denied orally unless a demand for a written statement of the reasons denying the request is made by the requester within 5 business days of the oral denial. If a written request is denied in whole or in part, the requester shall receive a written statement of the reasons for denying the request. Every written denial of a request shall inform the requester that if the request for the record was made in writing, then the determination is subject to review upon petition for a writ of mandamus under §19.37 (1) Wis. Stats., or upon application to the Attorney General or a district attorney.

(7) LIMITATIONS ON RIGHT TO ACCESS. (a) As provided by §19.36, Wis. Stats., the following records are exempt from inspection under this section:

1. Records specifically exempted from disclosure by state or Federal law or authorized to be exempted from disclosure by State Law.
2. Any record relating to investigative information obtained for law enforcement purposes if Federal law or regulations require exemption from disclosure or if exemption from disclosure is a condition to receipt of aids by the State.
3. Computer programs, although the material used as input for a computer program or the material produced as a product of the computer program is subject to inspection.
4. A record or any portion of a record containing information qualifying as a common law trade secret.

(b) As provided by §43.30, Wis. Stats., public library circulation records are exempt from inspection under this section.

(c) In responding to a request for inspection or copying of a record which is not specifically exempt from disclosure, the legal custodian, after conferring with the Village Attorney, may deny the request, in whole or in part, only if he determines that the harm to the public interest resulting from disclosure would outweigh the public interest in full access to the requested record. Examples of matters for which disclosure may be refused include, but are not limited to, the following:

1. Records obtained under official pledges of confidentiality which were necessary and given in order to obtain the information contained in them.
2. Records of current deliberations after a quasi-judicial hearing.
3. Records of current deliberations concerning employment, dismissal, promotion, demotion, compensation, performance or discipline of any Village officer or employee, or the investigation of charges against a Village officer or employee, unless such officer or employee consents to such disclosure.
4. Records concerning current strategy for crime detection or prevention.
5. Records of current deliberations or negotiations on the purchase of Village property, investing of Village funds or other Village business whenever competitive or bargaining reasons require nondisclosure.
6. Financial, medical, social or personal histories or disciplinary data of specific persons which, if disclosed, would be likely to have a substantial adverse effect upon the reputation of any person referred to in such history or data.
7. Communications between legal counsel for the Village and any officer, agent or employee of the Village when advice is being rendered concerning strategy with respect to current litigation in which the village or any of its officers, agents or employees is, or is likely, to become involved, or communications which are privileged under §905.03, Wis. Stats.

(d) If a record contains information that may be made public and information that may not be made public, the custodian of the record shall provide the information that may be made public and delete the information that may not be made public from the record before release. The custodian shall confer with the Village Attorney prior to releasing any such record and shall follow the guidance of the Village Attorney when separating out the exempt material. If, in the judgement of the custodian and the Village Attorney, there is no feasible way to separate the exempt material from the nonexempt material without unreasonably jeopardizing nondisclosure of the exempt material, the entire record shall be withheld from disclosure.

8. DESTRUCTION OF PUBLIC RECORDS. (a) *Financial Records.* Village officers may destroy the following nonutility records of which they are the legal custodian and which are considered obsolete after completion of an audit by State auditors or an auditor licensed under CH. 442, Wis. Stats., but not less than 7 years after payment or receipt of any sum involved in the particular transaction unless a shorter period has been fixed or will, in the future, be fixed by the committee on public records, pursuant to §16.61(3)(e), Wis. Stats., subject to State Public Service Commission regulations, but not less than 7 years after the record was effective unless a shorter period has been fixed by the State Public Records Board pursuant to §16.61(3)(e), Wis. Stats., and then after such a shorter period, except that water stubs, receipts of current billings and customers' ledgers may be destroyed after 2 years:

1. Water and sewer stubs and receipts of current billings.
2. Customers' ledgers
3. Vouchers and supporting documents pertaining to charges not included in plant accounts.
4. Other utility records after 7 years with the written approval of the PSC.

Stats., and then after such a shorter period:

(f) *Limitation.* This section shall not be construed to authorize the destruction of any public record after a period less than prescribed by statute or State administrative regulations.

(g) *Preservation Through Microfilm.* Any Village officer or the head of any department or division of Village government may keep and preserve public records in his possession by means of microfilm or other photographic reproduction method. Such records shall meet the standards for photographic reproduction set forth in §16.61 (7)(a) and (b), Wis. Stats., and shall be considered original records for all purposes. Such records shall be preserved along with other files of the department or division and shall be open to public inspection and copying according to the provisions of State law and this Code.

1.08 ABANDONED AND LOST PROPERTY. (1) **DISPOSAL OF.** The Village may dispose of any non-Village owned personal property which has been lost and abandoned or remained unclaimed for a period of 30 days after the taking of possession of the property by the Village or its representative in accordance with §66.0139, Wis. Stats.

(2) **METHODS OF DISPOSAL.** Except as provided in subs. An attempt to return the substance, material or device to the rightful owner shall be made when it appears the substance, material or device has been reported stolen.

(5) **DISPOSAL OF SEIZED PROPERTY.** The Chief of Police or authorized representative may safely dispose of any seized property which poses a danger to life or other property in storage, transportation or use and which is not required for evidence or further investigation.
