## Village Trustees

Harlin Owens,  
President

Brett Daefler

Brad Harlander

Rob Lillehaug

Jackie Peterson

Patty Swenson

Duane Wise

## Important Reminders

- Please make sure that no leaves or grass clippings are pushed/blown into the street! This is against village ordinance and fines can be given.
- Each person is responsible for keeping the sidewalk in front of their residence clean and free of any debris.
- If you need a place to dump your leaves there is a pile behind the Village Shop, make sure that LEAVES ONLY are placed in the pile. No bags or garbage.
- There is a brush pile available for resident use by the Waste Water Treatment Plant. This pile is for BRUSH ONLY!

We have added an additional way to pay your Village of Frederic utility bill. Simply visit Fredericwi.com and click the doxo bill pay button or visit: <https://www.doxo.com/info/village-of-frederic-wi>. You can easily pay your bill via debit, credit, bank account, and Apple Pay. MAKING A PAYMENT FROM YOUR BANK ACCOUNT IS FREE!! There is a service charge applied to credit and debit cards.

## Winter Parking Restrictions

You know it's coming...

Please remember that there is no overnight parking on any village street starting November 1st.

Tickets will be given.

If it snows before November 1st, please have your car off the street by the time the plows are out.

The Park Board is looking for a name for the new park on the west side of town. There is currently pickleball courts, a playground, and a few tables. There is nothing to win but bragging rights, but we would love to hear your ideas. Stop in the Village Hall at 110 Oak Street E, email clerk@fredericwi.com or call 715-327-4294!

**The Frederic Village Board of Trustees meets the second Monday of each month at 7:00 pm at 110 Oak Street E, unless a change is necessary. All meetings are open to the public.**

## MONTHLY BILLING NOW AVAILABLE!

We are trying something new through 2022! The Village of Frederic is happy to now offer you the option to receive your water & sewer utility bill every month (*via email or pick up only*) in addition to the normal quarterly billing cycle. Your bill will reflect your current water usage and the amount due so far. While the actual due date will remain quarterly, you can pay your smaller bill monthly (early) instead of the larger quarterly bill if and when you choose to do so.

### Benefits of monthly billing include:

- Consistency for personal accounting of monthly home budgets
- Less fluctuation in billing amounts, especially after heavy usage periods
- It allows customers to adjust their water usage habits if they feel they are using too much water.
- It allows customers to detect any leaks in their household plumbing sooner. (Detecting leaks early and conserving water not only protects our precious natural resource, but it also saves money.)

You will receive your quarterly bill the same way you currently do.

The due date will remain quarterly. Paying monthly is an option and convenience for you. It is not an obligation.

Monthly statements are only available through paperless email or stopping in our office for a copy.

This service is a work in progress. There may be hiccups. Please let us know if you encounter any problems or you do not receive the correct information. We are hoping to offer this as an ongoing option along with quarterly billing beyond 2022.

To sign up or for more information, please email us at [office@fredericwi.com](mailto:office@fredericwi.com) or call (715) 327-4294.
